Dear Mr. Gallatin:

Thank you for the cheque which arrived to-day.

The St. Kilian coin is a thaler of 1693, struck under the authority of the Bishopric of Wurzburg, Johann Gottfried von Gutenberg, Bishop, 1684 - 1698. St. Kilian was the patron saint of the Bishopric. The spiritual rulers had imperial grant to strike coins, and this coin is a secular one of the regular issues.

I hope this answers your question.

Very truly yours,

Assistant Curator.

Dear Mr. Gallatin:

I am dropping this line to say that if you still wish to look over the German bracteates we have, I wish you would do it fairly soon as I shall have to return them shortly. I understand you expressed a desire to have some of the more interesting looking specimens.

Sincerely yours,

Curator.

Dear Mr. Gallatin:

The committee for awarding the Huntington medal for this year to some scholar for his numismatic writing and of which you are chairman should get together shortly, as our report must be laid before the Council at their December meeting. Mrs. Brett and myself are the other members of the committee. Mrs. Brett is the hard one to get and I think it best that you telephone her at Flushing 9-1747 and then let me know. I will be away over all this coming week but will be back by December 1st.

Dear Mr. Gallatin:

I called up the Medallie Art and they tell me that Jennewein has made two medals, one for the Architectural League and No. 7 of the Society of the Friends of the Medallion. Neither of these do I find that we have. Also, Weil said that he has made some medallie pieces of his children.

Dear Mr. Gallatan:

Yesterday, we received from Mr. Jennewein four of his medals--One of Paolo Jennewein; The Architectural League medal; one to Col. Marzocchelli from the American Academy in Rome, and a Gloria Fama, as well as a large plaster cast of "Peter"

Are these medals gifts to the Society by your instigation or are they simply loans ?

Very truly yours

Curator.

Dear Mr. Gallatin:

We have to report at the December meeting of the Council our choice for the Huntington medal. Mrs. Brett and I are on the committee, of which you are Chairman.

Would it be possible for us to meet together, preferably up here some Wednesday afternoon? I have chosen this day as Mrs. Brett and I are always here that day and she ~~seldom~~ is here other days. The 18th would be a good day. If you prefer some other day, let me know and I will get in touch with Mrs. Brett and see if she can come in.
